- **Equipment Warranty Information**
 - DCB routers are warrantied for 1 year against failure or malfunction within the first year. DCB will repair any equipment that is under warranty if the equipment malfunctions under normal usage. Customer is responsible for equipment damage resulting from, but not limited to, weather, ice, snow, hail, other acts of God, abuse or vandalism. If a service call is required, there is a charge of \$75 for labor, in addition to, any equipment that may need to be replaced. The installer documents, at the time of the service call, what equipment or supplies were used and are then noted on the install worksheet. Once this worksheet is filled out, it is required to be signed by the customer acknowledging possible service call charges. Actual billing will be determined by the Billing Department and prior to the actual processing of the payment; the customer will receive a call from our billing department with the exact amount that will be processed using the payment account on file. However, you may contact our tech support staff to troubleshoot any service interruptions remotely at 920-868-9100 (ext. 2002). We also offer Level 1 technical support after hours.
 - Router Program is \$6.95 per month. This allows DCB to provide deeper levels of technical support. Replacement router provided for router issues except for human error/intervention.
 - You may contact our tech support staff to troubleshoot any service interruptions at 920-868-9100 (ext. 2002). We also offer Level 1 technical support after hours. Not all levels of support available with non DCB routers.
